To: Administrative Law Judges Weatherford and Burton and all parties of record:

Pursuant to Rule 11.1 of the California Public Utilities Commission's Rules of Practice and Procedure, the Public Trust Alliance ("PTA") respectfully asks that the attached Opening Brief be accepted as late-filed as a result of problems with PTA's attorney's computer.

On the final day of hearings on Phase 2 of the proceeding, the parties in A.12-04-019 were instructed to submit Opening Briefs on June 6, 2016.

Possibly as a result of the many documents open on the computer to finish preparing the brief, the attorney's computer began running extremely slowly and freezing entirely multiple times on June 6. As a result, the brief was filed four minutes after the 5:00 p.m. deadline on June 6. Please see the attached notice of receipt of documents via electronic filing.

PTA believes that no party was prejudiced and that the schedule was not affected by the short delay in filing.

Signed: June 7, 2016

Respectfully submitted,
